

CUSTOMER INFORMATION · CHANGE OF COMPANY NAME

quarzwerk 01 GmbH is now Timing Devices Europe GmbH

Ladenburg, Germany · July 2026

Dear Sir or Madam,

We would like to inform you that **quarzwerk 01 GmbH** has been renamed and is now operating as **Timing Devices Europe GmbH (TDE for short)**.

The new name reflects our strategic focus on what matters most to your production: **security of supply**. We supply critical timing devices – crystals, oscillators, TCXO/OCXO and real-time clocks – from multiple brand-bound sources (**EPSON · RIVER ELETEC · UTECH**), and our cross-reference database covering 50 manufacturers quickly identifies a qualified second source for your part. You will now find us at **timingdevices.eu** and at our new **@timingdevices.eu** email addresses.

Important for your records: this is purely a change of company name. The legal entity continues unchanged – only the name is new.

- **Legal identity unchanged:** Local Court of Mannheim, HRB 732479 · VAT ID DE294057335
- **Address unchanged:** Hohe Str. 18, 68526 Ladenburg, Germany
- **Your contacts and phone numbers** remain the same
- **Prices, terms and framework agreements** continue unchanged
- **Bank details and invoicing** remain the same – invoices will simply carry the new company name
- **All open orders** continue automatically – no action is required on your side

We kindly ask you to update the company name in your systems (vendor/supplier master data). Should you have any questions, please do not hesitate to contact us.

Kind regards

Frank Wolf
